Taken together, the results of the present study suggest that B₂ is a novel and important component of the A₂ signaling pathway. A₂ receptors activate B₂ receptors, which in turn activate PLC- β and PKC- δ . H₂O₂ also activates PLC- β and PKC- δ via a B₂ receptor-independent pathway. The results of the present study suggest that B₂ receptors are involved in the A₂ receptor-mediated activation of PLC- β and PKC- δ in endothelial cells.

There are two main types of B-cell lymphoma, follicular lymphoma and diffuse large B-cell lymphoma (DLBCL). The former is a low-grade lymphoma, which is characterized by a slow growth and a long survival time. The latter is a high-grade lymphoma, which is characterized by a rapid growth and a short survival time. Both types of lymphoma are treated with chemotherapy and radiation therapy. However, the treatment of follicular lymphoma is often more complex than that of DLBCL, as it often involves the use of targeted therapy and stem cell transplantation.

Article 187

[illegible]

A $\mathbb{Z}$ -module M is called *free* if it is isomorphic to a direct sum of copies of $\mathbb{Z}$. If M is free, then the rank of M is the number of copies of $\mathbb{Z}$ in the direct sum. If M is not free, then the rank of M is the number of copies of $\mathbb{Z}$ in the direct sum decomposition of M into a free module and a torsion module. If M is a free module, then the rank of M is the number of copies of $\mathbb{Z}$ in the direct sum decomposition of M into a free module and a torsion module.

Upon completion of the first round of the experiment, the participants were informed that the experiment was not over and that they would be asked to perform the same task again. The participants were then asked to perform the same task again, but this time they were asked to perform the task with the same target as the first round. The participants were then asked to perform the task again, but this time they were asked to perform the task with the same target as the first round. The participants were then asked to perform the task again, but this time they were asked to perform the task with the same target as the first round.

fA₁, ..., fA_m.

(3) If C is a closed curve in $\mathbb{R}^n$ and $\mathbf{F}$ is a vector field on $\mathbb{R}^n$, then

$$\oint_C \mathbf{F} \cdot d\mathbf{r} = \int_C \nabla \cdot \mathbf{F} \, dV, \quad (2)$$

where $\nabla \cdot \mathbf{F}$ is the divergence of $\mathbf{F}$ and dV is the volume element.

(4) The number of $\mathbb{A}^1$ -homotopy classes of maps from $\mathbb{A}^1$ to $\mathbb{A}^1$ is 1.

2. $\lim_{n \rightarrow \infty} \frac{1}{n} \sum_{k=1}^n f\left(\frac{k}{n}\right) = \int_0^1 f(x) dx$; $\lim_{n \rightarrow \infty} \frac{1}{n} \sum_{k=1}^n f\left(\frac{k}{n}\right) = \int_0^1 f(x) dx$

3. $\frac{1}{x^2} = x^{-2}$, $\frac{d}{dx} x^{-2} = -2x^{-3} = -\frac{2}{x^3}$.

Taken together, the results of the present study suggest that the use of a single, low-dose, short-term treatment with a single agent may not be sufficient to achieve a sustained reduction in the risk of relapse in patients with a history of SUD. The use of a combination of treatments, including both pharmacological and psychosocial interventions, may be more effective in achieving long-term recovery. Further research is needed to evaluate the effectiveness of combination treatments in this population.

Article 228 If the Board of Directors of a company (hereinafter referred to as the "Company") has a resolution to increase the registered capital of the Company, the Board of Directors shall submit the resolution to the shareholders for approval. The resolution shall be passed by a majority of the shareholders attending the shareholders' meeting, and the resolution shall be valid only if it is approved by the shareholders holding more than half of the shares of the Company.

The Board of Directors shall also submit the resolution to the shareholders for approval. The resolution shall be passed by a majority of the shareholders attending the shareholders' meeting, and the resolution shall be valid only if it is approved by the shareholders holding more than half of the shares of the Company.

The Board of Directors shall also submit the resolution to the shareholders for approval. The resolution shall be passed by a majority of the shareholders attending the shareholders' meeting, and the resolution shall be valid only if it is approved by the shareholders holding more than half of the shares of the Company.

Article 229 The Board of Directors shall submit the resolution to the shareholders for approval. The resolution shall be passed by a majority of the shareholders attending the shareholders' meeting, and the resolution shall be valid only if it is approved by the shareholders holding more than half of the shares of the Company.

The Board of Directors shall also submit the resolution to the shareholders for approval. The resolution shall be passed by a majority of the shareholders attending the shareholders' meeting, and the resolution shall be valid only if it is approved by the shareholders holding more than half of the shares of the Company.

The Board of Directors shall also submit the resolution to the shareholders for approval. The resolution shall be passed by a majority of the shareholders attending the shareholders' meeting, and the resolution shall be valid only if it is approved by the shareholders holding more than half of the shares of the Company.

Article 230 The **President** shall have the right to pardon and to commute the sentence of any person convicted of any offence.

CHAPTER 19 AMENDMENT TO ARTICLES OF ASSOCIATION

Article 235 The Corporation may amend its Articles of Association by a vote of a majority of the members of the Board of Directors, provided that the proposed amendment is approved by a majority of the members of the Association.

Article 236 Upon the filing of the proposed amendment with the Secretary of the Corporation, the Corporation shall:

- (1) Afford the members of the Corporation a reasonable opportunity to be heard on the proposed amendment;
- (2) Transmit the proposed amendment to the members of the Corporation;
- (3) Transmit the proposed amendment to the members of the Association.

Article 237 A member of the Association may propose an amendment to the Articles of Association, provided that the proposed amendment is approved by a majority of the members of the Association. Such amendment shall be subject to the approval of the Board of Directors.

Article 238 The Board of Directors may amend its Articles of Association by a vote of a majority of the members of the Board of Directors, provided that the proposed amendment is approved by a majority of the members of the Association.

Notwithstanding the foregoing, the Board of Directors may amend its Articles of Association by a vote of a majority of the members of the Board of Directors, provided that the proposed amendment is approved by a majority of the members of the Association.

- (1) The Board of Directors may amend its Articles of Association by a vote of a majority of the members of the Board of Directors, provided that the proposed amendment is approved by a majority of the members of the Association. (The Board of Directors may also amend its Articles of Association by a vote of a majority of the members of the Board of Directors, provided that the proposed amendment is approved by a majority of the members of the Association.)
